

UNITARIAN UNIVERSALIST FELLOWSHIP
of Winston-Salem

FELLOWSHIP COVENANT

As a Beloved Community, we build and strengthen our relationships by:

Listening and speaking respectfully

- o Give full attention to what someone is saying, rather than what you are thinking or how you will respond
- o Speak with kindness in ways that enhance understanding
- o Speak out gently when witnessing disrespectful interactions

Welcoming different points of view

- o Be curious about others' points of view
- o Respect the differences among us, remaining open to the discomforts and richness of diversity
- o Address merits of issues rather than perceived shortcomings of others

Encouraging each other as we search for truth and meaning

- o Appreciate and lift up the actions of others
- o Support each other in times of joy and need
- o Recognize we will sometimes fall short, but stay engaged, practice forgiveness and begin again in love
